

## MIXED COCKTAIL KITS

Everything's in there -  
Just follow the instructions.

### SUN'S OUT ..... 35

Bright & herbal

*Chamomile Tequila, Aperol, Grapefruit, Lime, Soda*

Fresh squeezed juices and house infused spirits star in this light, fizzy, not too sweet cocktail. The verdant chamomile notes sing of springtime making it perfect for enjoying in the sunshine. Shake, strain over ice & top with soda. [Serves 4]

### CREAMSICLE PUNCH ..... 35

Fruity & smooth

*Gin, Cointreau, Licor 43, Orange, Clarified Milk*

Orange creamsicle flavours abound in this delicious beverage. A perfect balance of sweet and sour with a rich, silky-smooth finish. This might be our best one yet! Don't let the milk ingredients fool you, this drink is totally and beautifully clear! Just crack the bottle and pour over ice! [Serves 4]

### GUAVA SOUR ..... 35

Refreshing & tart

*Pisco, Brandy, Guava, Lemon, Peychaud's*

A vibrant, tropical cocktail. Lively guava and citrus compliment pisco's subtle floral notes and brandy's deep fruitiness. Until you can travel to that beachy resort, you can bring the tropics to you with this summery drink! Shake and enjoy straight-up or over ice. [Serves 4]

### COCONUT LIQUEUR ..... 30

Rich & Creamy

*Toasted Coconut Rum, Coconut Milk, Almond milk, Vanilla, Demerara*

This 100% dairy free liqueur is silky-smooth and not too sweet. Enjoy it over ice, on desserts, in coffee or as a flavourful cocktail ingredient! [16oz]

Crisp & Balanced

*Dry White Wine, Mango Infused Lillet, Peaches, Lavender*

A light and refreshing spring offering! Dry white wine steeped with ripe peaches and lavender flowers blended with mango infused Lillet. Perfectly balanced between tart and sweet with fresh floral notes. [750ml]

### BUFFALO THEORY ..... 35

Stiff & classic

*Bourbon, Cognac, Amaro Montenegro, Passion Fruit, Bitters*

A spirit-forward nod to our friend the Old Fashioned. This slow sipper marries Buffalo Trace Bourbon and cognac with just a hint amaro for body, a dash of Angostura Orange Bitters, and teeny bit of passion fruit reduction to brighten it all up. What is the Buffalo Theory? Ask Cliff Clavin. Pour over ice. [Serves 4]

## MAKE YOUR OWN

Booze-free syrups & hand-crafted mixers designed to use on their own, in cocktails or mocktails.

### LEMON HIBISCUS ICED TEA ..... 15

Rich & Creamy

*Lemon Herbal Tea Blend, Hibiscus, Lemongrass, Soursop, Honey*

A refreshing, herbaceous and absolutely chuggable iced tea! It's also totally caffeine free! Shake well before uncorking. Pour over ice as an alcohol-free treat or make it a cocktail by adding your spirit of choice. (A little vodka and a lemon wedge would do the trick!) [750ml]

### LIME CORDIAL ..... 10

*Lime Juice, Zest, Sugar*

This syrup tastes just like dessert. The lime curd flavours add zing and body to mocktails & cocktails alike! Pour an ounce or two into sparkling water for a tart and tangy Italian soda! Dress up your G & T! Shake it up with rum for an easy daiquiri! Want a margarita? Shake it with tequila and Cointreau! The possibilities are endless! [8oz]
